Description :

PDF-24e99 | A has no friends. No parents. No family. No possessions. No home, even. Because every day, A wakes up in the body of a different person. A is able to access each person's memory, enough to be able to get through the day without parents, friends, and teachers realizing this is not their child, not their friend, not their student. Because it isn't. It's A. It's a lonely existence--until, one day, it... *Every Day*
