Description :

PDF-303ed | A sweeping, authoritative history of the expansion of slavery in America, showing how forced migrations radically altered the nation's economic, political, and cultural landscape. Americans tend to cast slavery as a pre-modern institution--the nation's original sin, perhaps, but isolated in time and divorced from America's later success. But to do so robs the millions who suffered in bondage of the... *The Half Has Never Been Told: Slavery and the Making of American Capitalism*
