Description :

PDF-ae866 | Thirty years after the women became 50 percent of the college graduates in the United States, men still hold the vast majority of leadership positions in government and industry. This means that women's voices are still not heard equally in the decisions that most affect our lives. In *Lean In*, Sheryl Sandberg examines why women's progress in achieving leadership roles has stalled, explains the r... *Lean In: Women, Work, and the Will to Lead*
