Description :

PDF-a6019 | The business world is constantly transforming. When restructures, mergers, bankruptcies, and layoffs hit the workplace, employees and managers naturally find the resulting situational shifts to be challenging. But the psychological transitions that accompany them are even more stressful. Organizational transitions affect people; it is always people, rather than a company, who have to embrace a new... *Managing Transitions, 25th anniversary edition: Making the Most of Change*
