Description :

PDF-6f0fc | First things first: There will be no man shaming in That's What She Said. A recent Harvard study found that corporate "diversity training" has actually made the gender gap worse—in part because it makes men feel demonized. Women, meanwhile, have been told closing the gender gap is up to them: they need to speak up, to be more confident, to demand to be paid what they're worth. They d... *That's What She Said: What Men Need to Know (and Women Need to Tell Them) About Working Together*
