Description :

PDF-bd44a | “We think of English as a fortress to be defended, but a better analogy is to think of English as a child. We love and nurture it into being, and once it gains gross motor skills, it starts going exactly where we don’t want it to go: it heads right for the goddamned electrical sockets.” With wit and irreverence, lexicographer Kory Stamper cracks open the obsessive world of dictionary writ... *Word by Word: The Secret Life of Dictionaries*
